Dear Ms. Carothers:

I have received your letter dated November 8, 1996, to the Committee to Elect McHugh (FEC ID# C00272153) with regard to the filing of 48-hour contribution notices for the pre-primary period as outlined in 11 CFR 104.5(f). This regulation required us to file these notices for contributions of \$ 1,000 or more received between August 22, 1996 and September 8, 1996.

As you recommended, we have reviewed our receipts records for this period. The only two reportable donations received in this timeframe were a \$ 1,000 contribution from Mr. Harry Quadricci on September 3, 1996, and \$ 1,000 from the National Association of Life Underwriters PAC on August 26, 1996.

I have attached a copy of the FEC Form 6 for each of these two contributions, as well as the Message Confirmation received in return which indicates the day and time that these notices were faxed to the FEC (in each case, on the date of the receipt). All other receipts in this timeframe were in amounts of less than \$ 1,000.

Sincerely,

Cary R. Brick, Treasurer
Committee to Elect McHugh
